Keith Collins And Manoush

I recently spotted Actor Keith Collins from the upcoming feature film "Hollywood Asylum 13" being released this winter where we caught up with him at the grand opening of new NYC hotspot Foundation being whisked to the VIP area of this new ultra trendy lounge, and we asked Collins more on this amazing film

FILM STARS KEITH COLLINS AND MANOUSH

TIMES SQUARE GOSSIP TIMES SQUARE GOSSIP 03/15/10 11:08 PM

Keith Collins And Manoush

I recently spotted Actor Keith Collins from the upcoming feature film "Hollywood Asylum 13" being released this winter where we caught up with him at the grand opening of new NYC hotspot Foundation being whisked to the VIP area of this new ultra trendy lounge, and we asked Collins more on this amazing film that we've been hearing so much about he told us that Hollywood Asylum 13 is at an Overnight, a young doctor right out of med school is making rounds and minding the ward at Hollywood Asylum 13. A mute nurse his only assistant. It's an exclusive place where secrets are buried, and where fallen stars dreams have turned to nightmares. There's an escapee loose in the hospital, but files are missing and their identity is unknown.
